Modi Warns Pak

'Pakistan will have to pay very high price for Pulwama attack'

New Delhi, Feb. 15- Prime Minister Narendra Modi this morning warned that those responsible for the Pulwama terror attack in which 44 CRPF soldiers were killed would pay a "very heavy price" and had made a "big mistake". In hard-hitting comments at an official event, PM Modi said security forces had been given complete freedom to act against terror and that the nation had full faith in their courage and valour.

Union Finance Minister Arun Jaitley said that the Government had withdrawn the 'Most Favoured Nation' status to Pakistan.

High Security alert in Mysuru

Mysuru, Feb. 15- Following the terrorist attack in Pulwama, the Police have been asked by the State authorities to beef-up security immediately.

City Police Commissioner K.T. Balakrishna told *Star of Mysore* this morning that important installations, vulnerable places like Railway Stations, religious places, Defence establishments, IT Companies etc., have been provided with high security in co-ordination with State Intelligence agencies.

Mandya Soldier Martyred

A soldier from Mandya is among the CRPF personnel who were killed. The martyred soldier is 33-year-old H. Guru, son of Ponnaiah and Chikkolamma couple of Gudigere village near Bharathinagar in Maddur taluk of Mandya district. Guru, who had come to the village on holidays, had gone back to serve the nation last week. Guru had got married to a girl from Sasalapura village near Sathanur six months ago.

Enabling evolution

The age of Planet Earth has been estimated at about 4.5 billion (4,500 crore) years through methods employed by chemists. The multitude of life forms, particularly flora and fauna, hosted by soil, water and air, both as surviving to this day and those that have moved to the pages of the long history of the Planet make a fascinating study to the informed and also the lay kind, amidst two schools of views, one being *creationists* and the other *evolutionists*, keeping aside the former marked by irreconcilable differences in their views, languishing without convincing proof, the latter also being questioned in some circles have caused widespread debates on the origins of species and subsequent many landmark events that tell the fascinating story of evolution, particularly of humankind. The name of naturalist and biologist Charles Darwin (1809-1881) stands out in the context of revolutionary ideas at the root of his theory of *natural* selection setting forth the modern evolutionary synthesis.

All species constituting the life forms that have made Planet Earth their home are known to have emerged, lived and perished in compliance of natural selection theory of Darwin except the human species indulging in meddlesome intervention such as in vitro fertilisation, genetic modification, DNA technology, seeking remedies and cures for diseases using drugs as well as invasive and non-invasive methods. Thus, the phenomenon of evolution of human species began the story behind the present profile of humans.

The factors to be reckoned with while seeking the explanation for marked changes of species in their entire range including morphological, physical, physiological and others fall into distinct classes in respect of human species and the rest of life forms. The most important and glaring factor impacting the process of evolution of human species seems to be those that can be briefly stated as *sociological*, particularly restricted intermixing of people of different faith, ethnicity, regions and so on. Thanks to modern means of communication and speedily commuting between places separated by long distances, such intermixing seems to have become vigorous and extensive, as a result of advances in science and technology.

A report published in a section of the press early this week throws more light on human evolution involving intervention by certain class of urbanites. Couples are reportedly demanding sperms of donors with fair complexion, good looks, high IQ, academic excellence, freedom from diseases and disorders, degrees from prestigious institutions and so on. The story of enabling evolution of the human species seems to be getting more exciting than ever before.

EDITOR'S BOTTOMLINE

Vice-President Venkaiah Naidu's oratory is often characterised by humour. He showcased this while recounting his journey through various portfolios, first as Rural Development Minister and then Urban Development Minister. "As the son of a farmer, I was surprised I've been given Urban Development. Then I asked my friends. With so much rural to urban migration happening, they said I could take care of the rural migrants in urban areas," he said. Earlier, N. Ravi, Publisher of The Hindu, talked about the Vice-President's first steps into RSS. "He thought the RSS was an organisation where they do not eat non-vegetarian food. He joined only when he was assured that there was no such restriction," he said. — In The Hindu

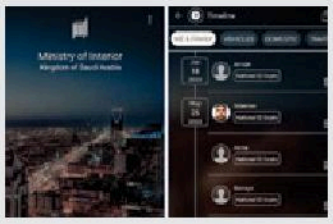
App to track women in Saudi Arabia



Jeddah: Two tech giants have come under fire for hosting a controversial smartphone app that allows Saudi men to monitor how and where women travel and effectively prevent them from leaving the country without permission.

Developed by the Saudi Arabia Government, Absher has been around for a while, but it only started making waves in western media after an article that was published, highlighted one of its most controversial features – allowing male "guardians" to track and restrict women's movements via their smartphones. In Saudi Arabia, women are placed under the authority of a male guardian regardless of their age. Women must ask the permission of their guardians to get married, open bank accounts and travel to certain places, and thanks to Absher, tracking an restricting the travel options of women is easier than it's ever been.

Artist creates crocheted versions of people

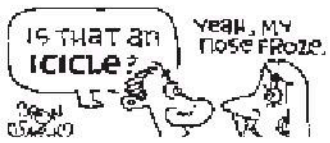
Helsinki: A Finnish artist has been making crocheted life-size versions of people in her village, and the similarities are eerily uncanny. Liisa Hietanen's creations are nothing short of awe-inspiring.

Hietanen began crocheting and knitting when she was 10-years-old and got so good at it that while attending art school she started making knitted sculptures. It all began with a life-size sculpture of her teacher which turned out so good that the artist felt inspired to create an entire series based entirely on the people in her village, Hämeenkyrö.

She meets people, takes photographs from all sides, measurements and pays attention to their mannerisms so she can better capture their personalities in her artworks. A few months later, she introduces them to their knitted doppelgangers.

HEALTH CAPSULE by Bron Smith

Why am I always cold?



Possible causes for being cold: You may be too thin, or you may have hypothyroidism. You may not get enough iron in your diet. You may have poor circulation. You may have diabetes. You may not get enough sleep. You might be d dehydrated. You may need more muscle mass. Women are more inclined toward being cold than men.

** Health Capsules is not intended to be of a diagnostic nature.*

SHABD: Two-day literary fest at SJCE from tomorrow

Mysuru, Feb.15 - The 13th edition of SHABD, the annual two-day literary fest for the literary and art enthusiasts organised by Sri Jayachamarajendra College of Engineering (SJCE) Editorial Board, will be held on Feb. 16 and 17 at its premises.

It is an inter-collegiate competitive activity where more than 300 students from over 30 colleges across the State are expected to take part.

Yaduveer Krishnadatta Chamaraja Wadiyar will inaugurate the event tomorrow at 10.30 am at the CS / IS auditorium, SJCE Golden Jubilee Bhavan.

Prof. B.G. Sangameshwara, Vice-Chancellor, JSS Science and Technology University and Prof. K. S. Lokesh, Registrar, JSS Science and Technology University, will be the chief guests. Prof. T. N. Nagabhushana, Principal, SJCE will preside. Prof. S.K. Prasad, Staff Coordinator for SJCE Editorial Board and Student Editors in Chief of SJCE Editorial Board Sriparna and Swathi will be present.

The inauguration will be followed various formal and informal events held in both English and Kannada. On the first day, there will be events like Creative Writing, Debate, JAM and more and on the second day, events like Poetry, Photography, Quiz and Pictionary will be held. For details students can contact Swathi (9663498342), Sreeparna (8050999939) or visit: *www.sjce.ac.in*

10th Anniversary celebrations of Hospital on Feb.17

Mysuru, Feb.15- The 10th Anniversary of Cauvery Heart and Multi-Specialty Hospital has been organised on Feb.17 (Sunday) at 6 pm at Mysore Sports Club, Lalitha Mahal Road. Minister G.T. Devegowda will be the chief guest. Mayor Pushpalatha Jagannath will be the guest of honour. Hospital Chairman Dr. G.R. Chandrashekar and Dr. Sarala Chandrashekar will be present.

Really...?

- ***Toxoplasma gondii, a brain parasite spread through cat feces, can be transmitted to humans. It can cause humans to care for their cats excessively along with causing several neurological disorders. It brings about a "fatal attraction" in mice towards cats and slows them down, making them easy prey.***
- ***Cymothoa exigua is a parasite that severs the blood vessels of a fish's tongue and becomes a new functional tongue itself. It is the only known parasite to replace an entire organ in the host organism.***
- ***Phronima is the alien in the movie Alien which was inspired by a transparent, deep-sea parasite that eats other creatures from the inside out and then takes over their bodies to ride the seas in the carcass and lay its eggs.***

As part of the monthly cultural programme of Sri Ramabhyudaya Sabha Charitable Trust, Vijaya Vittala Bhajana Mandali will render Devaranama on Feb.16 (Saturday) at 6.30 pm at Srirama Mandira, Shivarampet, Vinoba Road. For details, call Mob: 99000-29463, according to a press release.

Interaction with organic farmers

The Belavala Farm, Belagola, KRS Road, Srirangapatna taluk will be hosting an interaction met with two highly successful organic farmers of the State at its farm at 10 am on Feb.17 (Sunday). Suresh Desai, a successful organic farmer of Bedakihal village in Belgaum district and Malleshappa of Hiregunjal village, Kundgol taluk, Dharwad district will interact with the participants. While Suresh Desai is a 'Krishi Pandit' awardee, Malleshappa has been a model farmer who is self dependent on seeds, fertilizers and others agricultural inputs. The participation fee is Rs.250. All the participants will be taken around Belavala farm at 9 am on Feb.17, according to a release. For details and registration, call Mob: 89718-67171 or 87627-90112.

Annual Day celebrations

The 37th Annual Day celebrations of Gayathri Higher Primary School will be held at its school premises at Gayathripuram in city on Feb.18 at 5 pm. MLA Tanveer Sait and other dignitaries will be the guests. Felicitation to students of the school who have scored high marks in SSLC and cultural programmes will be held as part of the event.

Shivaji Jayanti on Feb.19

The district administration, in association with Chhatrapati Shivaji Maharaj Jayantotsava Samiti, will be celebrating Chhatrapati Shivaji Jayanti at Kalamandira on Feb.19. Prior to the celebration, a grand procession of Shivaji Maharaj will be taken out from Kote Anjaneyaswamy Temple at the Palace North Gate to Kalamandira at 9 am, according to a press release.

Physics Mock Test

The Mysuru District PU Physics Lecturers Forum has organised a mock Physics test on Feb.17 at Marimallappa's PU College. Test will be conducted between 10 am to 1.15 pm. Interested students may register their names before Feb.16 with President A. Ramegowda on Mob - 82177-30972, Secretary Sannegowda - 99003-73206 or contact Marimallappa PU College, according to a press release.

MCC move to raze Lansdowne Building, Devaraja Market

Heritage panel writes to Chief Secretary opposing demolition

Mysuru, Feb.15 (RK&BCT)- Members of the State Government-appointed Heritage Expert Committee (HEC) have written to State Chief Secretary T.M. Vijay Bhaskar opposing the Mysuru City Corporation's move to demolish Devaraja Market and Lansdowne Building and pave way for new commercial complexes.

The members have opined that the MCC's move will set a dangerous precedent and endanger the city's other heritage structures. "In our opinion, the MCC's decision is not in the best interests of the city of Mysuru, which has the 'Heritage City' tag and is the cultural capital of Karnataka," the members have said in their letter to the Chief Secretary.

The letter has been sent by Maj. Gen (Retd.) S.G. Vombatkere and has been signed by other members of Heritage Expert Committee including Prof. N.S. Rangaraju and has urged the Chief Secretary to enforce the Heritage Regulations drafted by the HEC which have been lying unattended to for the past eight years.

"This step is necessary in order to pre-empt demolition of heritage structures at the instance of some vested interests and help protect, preserve and conserve Mysuru's heritage. This will surely be in the larger interests of Mysuru, resulting in boosting tourism and the general economy of the region," the letter said.

"The unanimous decision of MCC to demolish the structures was based on the report of a MCC-created Task Force comprising engineers and without representation of either heritage or conservation experts. Members of the Heritage Expert Committee accompanied by officials of MCC, visited both Devaraja Market and Lansdowne Building and submitted a Technical Report to the District Administration which expressed the feasibility of restoring both the structures and recommended immediate resumption of the restoration or conservation work. However, the work remains stalled even to date and the structures are deteriorating due to continued neglect," the letter stated.

During a meeting held on Feb.4 and chaired by District Minister G.T. Devegowda, members of the Heritage Expert Committee had unequivocally opposed demolition of Devaraja Market and Lansdowne Building and maintained that the two structures could and should be restored and conserved. The Minister had promised to place the view of the Committee before the Chief Minister.

The Committee Members have urged the Chief Secretary to provide them with an early opportunity to meet the Chief Minister and convey their concerns regarding the protection, preservation and conservation of Devaraja Market and Lansdowne Building, as well as the unique heritage of Mysuru.

'Dasara grandeur will be spoilt'

In their letter, the Committee Members have said that the grandeur of the annual Dasara procession will be spoilt if it ends up going past heaps of rubble and construction materials, and there will be a long-term deleterious effect on tourism if Devaraja Market is brought down for reconstruction.

The Committee Members believe that conservation and restoration can be done by taking small portions of the buildings at a time and completing work in periods of 2-3 months. This way, a few shopkeepers in the market will lose business at a time but only for a couple of months.

Demolition and reconstruction will mean that all the shops have to be vacated and the shopkeepers remain out of business for 2-3 years.

Union Government to credit Rs. 2,000 to each farmer as first instalment

New Delhi, Feb.15- As declared in its Budget presented on Feb.1, the Union Government under the PM Kisan Yojana, will credit Rs. 2,000 to the Bank account of every farmers holding less than five acres of land.

The credit of Rs.2,000 is the first instalment of the promised Rs.6,000 announced by the Centre.

About 12 crore small farmers across the country will receive Rs. 6,000 annually in three equal instalments of Rs. 2,000.

The Union Government has set up a Kisan Portal for implementation of the scheme, in which the State Governments are required to update details of all small farmers by Feb. 24.

With the NDA Government is all set to roll out the scheme ahead of the announcement of the 2019 Lok Sabha poll schedule, with Prime Minister Narendra Modi to launch the scheme soon at Gorakhpur in Eastern Uttar Pradesh.

It may be mentioned here that the Union Government had earmarked Rs. 75,000 crore for the scheme in the budget which benefits over 12 crore poor and small farmers who hold land of less than five acres.

Eight arrested for attack on Hassan MLA's house

Hassan, Feb.15- A day after the incident, Hassan Police on Thursday arrested eight persons for the attack on Hassan BJP MLA Preetham Gowda's Residence here, in which one person sustained injuries.

All the arrested are JD(S) workers and leaders. The arrested have been identified as Hassan ZP member Swaroop, Hassan CMC members Prashanth and Girish, former member Bhanuprakash, former CMC President Anil Kumar, and party leaders Kamal Kumar, Jagadish and Chandru Katihalli.

They were accused of pelting stones at the residence of BJP MLA Preetham Gowda on Wednesday, after an audio clip in which Preetham Gowda purportedly made insulting remarks against JD(S) supremo H.D. Deve Gowda and CM H.D. Kumaraswamy went viral. But Preetham Gowda had denied saying that the voice was not his.

It may be mentioned here that a BJP delegation led by Opposition leader B.S. Yeddyurappa met Governor Vajubhai R. Vala at Raj Bhavan, Bengaluru on Thursday and petitioned him seeking action against the State Government for the attack on Preetham Gowda's Hassan residence.

VOICE OF THE READER

Absence of staff with merit cause for problem with Aadhaar cards

Sir,

I was not surprised reading the news item ***'Aadhaar Card correction a painstaking process,'*** published in *SOM* on Feb. 13.

Tax-payers face problems at every office they visit because of lack of merit in the staff dealing with the issuing of the card. Apart from a few sincere and merited workers, most of them are incompetent, don't even have sound knowledge of Kannada and English languages, don't know the office rules. Naturally they do not respond to the people's problems when they are approached.

When it comes to getting an Aadhaar Card or to get some corrections in it done, none of the officials concerned provide proper information. For example, the name 'Asha' in Kannada is typed as 'Asa.' 'Ramaiah is typed as Ramappa' despite the names being written in capital letters in the application forms. This apart, even the date of birth and address are typed wrongly due to lack of efficient and responsible persons deployed for it.

Earlier, when payment of Property Tax under Self Assessment Scheme (SAS), said to be a very easy procedure, was implemented by the MCC, I had to go thrice to the MCC office near Ballal Circle. Whenever the officials say it is an easy procedure, it is actually a hell for the tax-payers. When I went to the MCC office regarding SAS, it was closed once and when I again went, there was a serpentine queue but somehow got the work done after a lot of argument.

Even Chamundeshwari Electricity Supply Corporation (CESC) resorts to power cuts for maintenance and repair, but they don't follow the time. They announce that there would be power cut for three hours but they do not give power even after five hours. In this modern world, technology is at the finger tip, but there is a lack of efficiency in manpower to provide efficient service to the public.

The elected representatives and the senior officials should ensure that the staff with merit only are appointed and only then the problems could be solved.

Triennial Kumbha Mela from Feb. 17 to 19

Army builds floating bridge for mega fair

Mysuru, Feb. 15 (YDS&SR)- The 11th Edition of three-day Kumbha Mela will be held at Triveni Sangama, the confluence of Cauvery, Kapila and Spatika rivers in T. Narasipura town of Mysuru district between Feb. 17 and 19.

Over two lakh devotees from across the State will take holy dip in the river which is considered auspicious. The District Administration has made elaborate security for the mega event. Apart from regular Police, commando forces are also deployed and have already started combing and surveillance operations.

Addressing a press conference in city on Wednesday, Sri Someshwaranatha Swamiji of Adichunchanagiri Mutt's Mysuru branch said that over one lakh devotees took part in the 10th edition of the Mela three years back and a large number of people expected to visit this year.

Government and its agencies and various Mutts and religious institutions have made all preparations for the success of this event. Development works undertaken as part of the celebrations is in final stage and the government has built a lot of bathing ghats and separate sheds for women to change their clothes.

He said several great Kings ruled from here. Seers Thiruchi Swamiji of Kailas Ashrama, Sri Balagangadharanatha Swamiji of Adichunchanagiri Mutt, Sri Shivarathri Deshikendra Swamiji of Suttur Mutt, Sri Ganapathy Sachchidananda Swamiji of Avadhoota Datta Peetha and Shivapuri Swamiji of Omkara Ashrama, had some foresight when they came together in 1989 to start the Kumbha Mela.

The Kumbha Mela at Triveni Sangama of T. Narasipur may serve the devotees of the entire South India in future, he added.

The government is making elaborate arrangements, including provision of drinking water, sanitation, roads, infrastructure and facilities in the town and around Triveni Sangama for the convenience of devotees. More than 100 expert swimmers and divers have been deployed as the festival is conducted amidst water.

Last time, Rs. 3 crore was spent by the District Administration to make the arrangements. But, it is yet to receive Rs. 2 crore from the State Government. This time, the expenses are expected to go up as the crowd is expected to cross 2 lakh.

Celebrations to begin with Puja to Agasthyeshwaraswamy

The celebrations will begin from Feb. 17 at 6 am with Anugne Punyaha Puja to Agasthyeshwaraswamy, Kalasha Sthapane, Abhisheka, Devatharadhane and Vasthuhoma ritual at 4 pm.

On Feb. 18, there will be Navagraha Puja, homa, havans and Purnahuthi will held at 6 am and Sudarshan Homa at 3.45 pm.

Pontiffs who arrive for the mela will be taken out in a procession from Gunjanarasimhaswamy temple at 4 pm on the same day. The procession will pass through Vishwakarma Street, Bhagawan Talkies Road, Bus Stand, Link Road, and culminates at Triveni Sangam followed by Mangalavadya and folk troupes.

Kalasa-carrying women, Veeragase, Kamsaale and Bhajan troupes, Kombu Kahale, Veerabhadra Kunitha, Garudi Kunitha, Kolaata, Veera Makkala Kunitha, Puja Kunitha, Keelukudure, Patada Kunitha, Thamate Band Set, Seva Dal and Tableaus will be the main attractions of the procession.

Armed soldiers checking the floating bridge for stability.

CM to attend on Feb. 19

Chief Minister H.D. Kumaraswamy will inaugurate the religious meet on Feb. 19 at 12 noon. District Minister G.T. Devegowda will deliver the valedictory address.

The pathways to the islands amidst the water earmarked for 'homa' and for 'dharma sabha' are wider when compared to last time. A temporary floating bridge has been erected by the Army from Gunjanarasimhaswamy Temple linking Sabha Mantapa and Yaga Mantapa stage, the Seer said on behalf of Sri Nirmalanandanatha Swamiji of Adichunchanagiri and Sri Shivarathri Deshikendra Swamiji, who are also taking part in the Mela.

Over 140 Army personnel worked for three days round-the-clock to build 160-metre-long and three-metre wide floating bridge.

A group photo of the Army personnel along with Officers and Deputy Commissioner Abhiram G. Sankar.

Best Student Advocate Award

Poorna Poovamma seen receiving the Best Student Advocate Award from Prof. (Dr.) R. Venkata Rao, Vice-Chancellor of the National Law School of India University, Bangalore, at JSS in city recently.

Mysuru, Feb. 15- City girl Kallichanda Poorna Poovamma, a first year Law student at National Law School, Gandhinagar, Gujarat, was adjudged the Best Student Advocate in the Surana & Surana National Corporate Law Moot Court competition held recently at JSS Law College in Mysuru.

Students from about 26 top Law Colleges including nine National Law Schools from all over India participated in the contest.

An alumnus of St. Joseph's Central School and Sankalpa PU College, Poorna is the daughter of Kallichanda Mudduraj, an Executive at JK Tyre and Anu (Kuttanda), residents of Vijayanagar 4th Stage here.

Japanese Language Classes at BVB

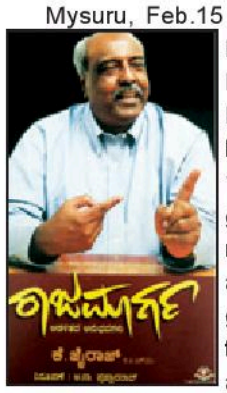
Mysuru, Feb.15 (PM&SR) - Bharatiya Vidya Bhavan (BVB), Mysuru Kendra and Bhavan's Priyamvada Birla Institute of Management, have started Japanese Language Training Classes for the benefit of general public.

Speaking to reporters here yesterday, BVB Mysuru Chairman Prof. A.V. Narasimhamurthy said that classes will be conducted for those aged between 8 and 70 years by Prof. Vani.

Vani, who had been teaching the language to students, has now extended this to public of all age groups since the last five months. The second batch of Japanese Language learning classes will commence from Feb. 23. Classes will be conducted between 4.30 pm and 5.30 pm on every Saturday. Interested may register their names on Mob: 9480382550.

'Rajamarga' book release tomorrow

Mysuru, Feb.15 (PM&SR)- Former IAS officer K. Jairaj's book titled *'Rajamarga'* will be released at a programme to take place at BPBIM auditorium in Bharatiya Vidya Bhavan (BVB) premises, Vijayanagar 1st Stage in city at 10 am on Feb.16.



Yaduveer Krishnadatta Chamaraja Wadiyar will release the book in the presence of Sosale Vyasaraja Mutt Seer Sri Vidyashreesha Teertha Swamiji.

BVB Mysuru Chairman Prof. A.V. Narasimhamurthy will speak about the book while BVB Bengaluru Chairman N. Ramanuja will preside. The book release will be followed by an interaction with the author.

Mortal remains of Mandya martyr to arrive today or tomorrow

Mandya, Feb. 15 (Nagaiah&KS)- A soldier from Mandya is among the CRPF personnel who were killed at Pulwama in Jammu and Kashmir when a Jaish-e-Mohammad terrorist rammed buses in a security convoy on the Jammu-Srinagar highway with a car carrying 350 kg of explosives yesterday.

The martyred soldier is 33-year-old H. Guru, son of Ponnaiah and Chikkolamma couple of Gudigere village near Bharathinagar in Maddur taluk of Mandya district. Guru, who had come to the village on holidays, had gone back to serve the nation last week. Guru had got married to a girl from Sasalapura village near Sathanur six months ago.

Martyr H. Guru

A pall of gloom descended on Gudigere when the news of Guru being killed was telecast on TV channels. His family members and friends were inconsolable and shocked. Posters of Guru were put up at various places and the villagers were seen paying their tributes to the portrait of the martyred soldier.

Mandya Deputy Commissioner N. Manjushree said that she visited Guru's house and offered condolences to the family and added that the District Administration would help the family in every way. She further said that the mortal remains of the martyred soldier is expected to arrive today or tomorrow and added that the last rites would be performed at the village.

Meanwhile, Maddur Tahsildar Geetha visited the house of the deceased soldier and offered condolences. DC Manjushree, who inspected the cremation site along with Tahsildar Geetha, said that the martyred soldier would be laid to rest at the Government land in Gudigere Survey No. 54 and added that the mortal remains of Guru would be kept at Gudigere Colony for the public to pay their last respects.

Mandya Superintendent of Police Shivaprakash Devaraj visited Gudigere Colony where the mortal remains of Guru would be kept for public viewing and inspected the security arrangements. Darshan Puttannaiah, son of farmer leader late K.S. Puttannaiah too visited the house of the deceased soldier and offered his condolence.

Attack condemned

Several demonstrations were held today across Mysuru in protest against the brutal terror attack on a CRPF convoy yesterday. Members of Mysuru Hotel Owners Association staged a protest in front of Mahatma Gandhi's bust opposite the city Law Courts Complex.

Bar Association pays tribute

Strongly condemning the terrorist attack, members of the Mysuru Bar Association paid tributes to the martyrs by observing a one-minute silence in the court premises before the commencement of the proceedings this morning.

Members of Vishwa Hindu Parishat (VHP) staged a demonstration in front of the DC office to register their protest. Similar protests were held at Agrahara.

No power supply tomorrow

Mysuru, Feb.15- Owing to emergency maintenance works, power supply will be disrupted tomorrow (Feb.16) in the following areas: **10 am and 2 pm:** EHT Users of **KV Vikrant Route**

10 am and 5 pm: 66/11 KV Areas coming under Hebbal Power Distribution Centre — Areas around Hebbal, Kumbar Koppal, Toll Gate, Vani Vilas Layout, Mahadeshwara Layout, Subhash Nagar, Surya Bakery, Vijayanagar, Railway Layout, Abhishek Circle, M.G. Koppal, Hampi Circle, Sangam Circle, J.K. Tyres, KIADB Industrial Housing Layout, L&T Factory, Rane Madras, Mysore Steels and surrounding areas, according to a press release from CESC.

No proposal for Railway line through Kodagu: Centre to High Court

Bengaluru, Feb. 15- The Centre yesterday told the Karnataka High Court that there is no proposal to build a Railway network from Thalassery to Mysuru via Kodagu.

A two-Judge Bench headed by acting Chief Justice L. Narayanaswamy and Justice Dinesh Kumar was hearing a Public Interest Litigation (PIL) filed by Coorg Wild Life Society challenging the Railway line proposal, when the counsel for the Centre told the Court that there was no proposal for Thalassery-Mysuru Railway line via Kodagu.

Following the counsel's submission, the Court observed that the activity done is only a feasibility survey for which the Government was free to spend some allocated allotted funds. Observing that there is no physical activity like cutting trees or preparing the site area for the projects and also the Central Government not placing the project before authorities like National Wildlife Board for obtaining mandatory clearance or sanctions, the Court disposed of the PIL as infructuous.

Regarding another PIL filed by Coorg Wild Life Society against the State Government's proposal to widen the highway between Mysuru and Mangaluru via the green land in Kushalnagar, Suntikoppa, Madikeri and Sampaje, the Court ruled that for implementing any project like this, the concerned Department should mandatorily obtain clearance and sanctions from all necessary offices and departments and also conduct a feasibility study of the project implementation. The court directed the Karnataka government to come back with the feasibility study.

In-charge ZP Chief alleges irregularities in Rs. 10.73 cr. rural drinking water project

Mysuru, Feb.15 (PM&SR)- Zilla Panchayat Incharge President S.R. Nandeesh has alleged of large scale irregularities in the implementation of Rs. 10.73 crore emergency drinking water projects in the Department of Rural Drinking Water Supply and Sanitation.

Nandeesh

Addressing a media conference at ZP mini auditorium here this morning, he urged the Government to order a suitable probe into the irregularities besides to stop clearing the full bill amount until the investigation is completed.

He said that the State Government had sanctioned Rs. 10.73 crore to take up 420 emergency drinking water supply relief works like sinking new borewells, pipeline and other works across Mysuru district for the year 2017-18.

ZP officials had claimed that they had completed one work costing Rs. 2.60 lakh at K R. Nagar taluk; 25 works (Rs. 23.97 lakh) in H.D. Kote, 64 works (Rs. 45.18 lakh) in Periyapatna, 44 works (Rs. 1.26 crore) in Hunsur, 115 works (Rs. 2.18 crore) at Nanjangud; 55 works (Rs. 2.47 crore) in Mysuru and 140 works (Rs. 3.69 crore) in T. Narasipur. They said that they had utilised the entire sanctioned amount of Rs. 10.73 crore for implementation of the above works in all these taluks.

However, the ZP in-charge President alleged that the officials have submitted the completion report of all these works and pocketed the bill without the completion of work in many cases.

He said he suspected the involvement of Assistant Executive Engineer, Junior Engineers of the Department besides the involvement of some ZP members in this scam.

"So the far the government had released Rs. 3 crore against the sanctioned Rs. 10.73 crore for this work. The Government should not release the remaining amount until the third party inspection and detailed investigation is conducted regarding completion of this works," he added.

'Rs. 19.12 crore drinking water project initiated'

Nandeesh also disclosed to media that the State Government has released Rs. 13.12 crore for implementation of drinking water projects for the year 2018-19.

Apart from this, the Central and State Governments have released another Rs. 5 crore to ensure drinking water. Besides, the ZP has also taken up drinking water projects with another Rs. 1 crore under ZP CEO grant in the current year.

Modi warns Pak

(Continued from page 1)

"I want to tell the terrorists and their backers...they have made a big mistake. You will have to pay a very heavy price...I assure everyone that the forces behind the attack...we will bring them to justice," PM Modi said in Delhi after chairing a top level security meeting with senior ministers.

Home Minister Rajnath Singh left for Srinagar after attending a meeting on Cabinet Committee on Security at Prime Minister Narendra Modi's residence. Along with Singh, the meeting was attended by Defence Minister Nirmala Sitharaman, Finance Minister Arun Jaitley and National Security Advisor Ajit Doval.

A 12-member team of the National Investigation Agency or NIA will reach Pulwama today to assist the Jammu and Kashmir Police in forensic evaluation of the spot. Rajnath Singh will hold review meetings with senior security and police officials to make ground level assessment and review further actions.

Silt Deposit Study begins at Harangi Dam

● Govt. allocates Rs. 75 crore for silt removal ● Geo Marine Solutions conducts survey

Kushalnagar, Feb. 15 (AG&BCT)- Water level at Harangi Reservoir in Kodagu from where Cauvery water flows to Krishna Raja Sagar (KRS) Dam in Mandya is precariously low and is depleting by the day, causing concern.

Realising the gravity of the situation, the State Government has asked the Karnataka Engineers Research Station to conduct a survey of the river to ascertain the amount of silt deposited in the Dam. Water level today at the dam stands at 1.159 tmcft while last year's level on this date was at 1.878 tmcft.

The State Government has already allocated Rs.75 crore to desilt the Harangi Dam and the issue of silt was raised by MLC Veena Achaiah at the last Assembly session held in Belagavi. Veena Achaiah told *Star of Mysore* that in the Assembly, Water Resources Minister D.K. Shivakumar had replied to her queries on silt deposit and said that the State Government has taken up a survey using drone to assess the amount of silt deposited in Harangi Dam.

Geo Marine team study

The Karnataka Engineers Research Station (KERS) was established in 1944 and is located at KRS Dam, Mandya. The KERS has assigned the task to Geo Marine Solutions Pvt. Ltd. and the team is conducting the survey from the past five days.

The Geo Marine Solutions team is headed by former Director of Geological Survey of India Praveen Kumar and comprises Dhanraj, who processes data and Jithesh, who is a surveyor.

There is a huge amount of silt deposited inside the Dam and this is making the dam incapable of storing more water, especially during the crisis months.

Technicians use 'Echo sounder' to estimate the Dam's depth.

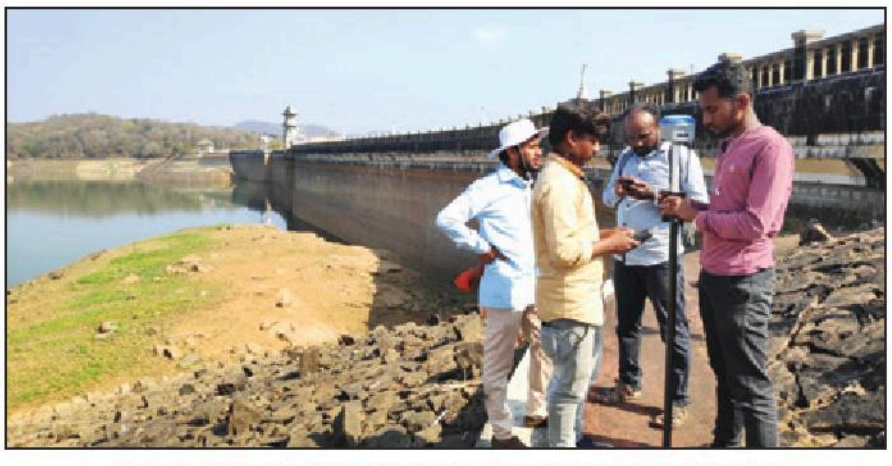
The alarming depletion of water in Harangi has caused concern among residents of Kodagu, Mysuru and Mandya as they are set to face severe water shortage during peak summer season.

Bathymetric Survey

At present, the Geo Marine Solutions team is doing Bathymetric Survey in the backwaters of Harangi. (Bathymetric Survey allows scientists to measure the depth of a water body as well as map the underwater features of a water body). The survey is being conducted using 'Echo sounder' to estimate the depth and this data will be compared with the original Dam data to calculate the silt accumulated in the Dam.

The team will carry out drone survey from today where a drone that has a capacity to fly for 45 minutes will be used. The drone too will record the data and the silt accumulated area is calculated using the drone survey data as the flying machine will cover the Dam from the place of the river origin till it reaches the Dam.

The Harangi originates in the Pushpagiri Hills and the length of Harangi River from its origin to the confluence with Cauvery River near Koodige is 50 km. The drone will cover the entire length of the Harangi River and will fly above Hattihole, recording data. The total catchment area is 419.58 square kilometres.



A team preparing for Differential Geographical Positioning at Harangi Dam this morning.

Report by February end

The team is expected to give its report by the end of February of the density and extent of silt-accumulated areas. The sediment region will be differentiated into sand, mud, soil and stones and the regions will be mapped by the team for proper usage of the silt, Praveen Kumar told *SOM*.

Apart from silt accumulation, the team will study the deposit of rocks along the river course and suggest remedial measures. Thousands of tonnes of sand and rocks mixed with trees were washed away from Hattihole and Madapura regions during the flash floods and massive landslides in August-September last year. The team will examine if the river courses have changed due to landslides and suggest measures before the rainfall season this year.

Desilting work

Veena Achaiah said that the silt deposit clearance work will begin in the first week of March after the government studies the report submitted by the Karnataka Engineers Research Station. "I have already had a discussion with Kodagu District Minister S.R. Mahesh so that the government can use the sand extracted from the Dam. It can even be used in the ongoing construction of houses for flood victims in the district," the MLC added ■

Karbonn opens manufacturing facility at Tirupati

Karbonn SMARTPHONES

Seen from left are N. Amarnath Reddy, Minister for Industries, Food Processing, Agri Business, Commerce and Public Enterprises; Nara Lokesh, Minister for Information Technology, Panchayati Raj and Rural Development and Sudhir Hasija, Chairman, Karbonn Mobiles during the inauguration of the new manufacturing plant of Karbonn Mobiles at Tirupati recently.

Tirupati, Feb. 15 - Karbonn, the leading mobile phone manufacturer in India, under the aegis of the Andhra Pradesh Government, has setup a state-of-the-art mobile manufacturing plant at Sri Venkateshwara Mobile and Electronics Manufacturing hub in Tirupati.

With a total investment of Rs. 200 crore in a phased manner and production capacity of over one million mobile phones, Karbonn has become the leading mobile phone manufacturer in India and the new manufacturing plant is the fourth Karbonn manufacturing unit, with the others being — one unit in Bawal, Haryana and two units at Noida in Uttar Pradesh.

The manufacturing plant was inaugurated by Nara Lokesh, Minister for Information Technology, Electronic & Communication, Panchayati Raj and Rural Development.

Speaking after going around the plant and interacting with the teams, the Minister said, "The Karbonn manufacturing unit is a state-of-the-art facility and is a testimony to the efforts being made by the State Government to make Andhra Pradesh the mobile manufacturing hub of India. India is one of the fastest growing mobile phone markets and we have made sure the device makers

are not faced with any hurdles or red tapism in setting up manufacturing units and empowering our State."

Sudhir Hasija, Chairman, Karbonn said, "With the Vision of Chandrababu Naidu, CM of Andhra Pradesh and direction of Nara Lokesh, Minister for Information Technology, Electronic & Communication, Panchayati Raj and Rural Development and execution by Karbonn, this moment is of great honour and pride for us. With a focus to create lucrative employment opportunities for the local population, the one lakh square feet manufacturing facility would be skilling over 1000 employees who will be a part of its workforce, providing a source of livelihood to the men and women of Andhra Pradesh."

City boy bags medals in swimming

Mysuru, Feb.15- Mysuru lad N.A. Ruthuva, a student of Excel Public School, taking part in the 1st Non-Medallist Swimming Competition conducted by Glenmark Aquatic Foundation & Ray Aquatic Centre, Bengaluru, recently, won gold medal in the 50m Butterfly event with a timing of 33.77s.

Ruthuva also won silver medal in the 50m Freestyle event with a timing of 31.39s.

Ruthuva is coached by Shivakumar at J.P. Nagar Swimming Pool, Mysuru.

N.A. Ruthuva

Orange Sportz - MTC Mysuru Open Men's Tennis Tournament

Suresh, Jatin Dahiya set up title clash

Mysuru, Feb. 15- Unseeded Tamil Nadu lad Suresh Dakshineshwar and second seeded Jatin Dahiya from Delhi set up a title clash in the men's singles on the penultimate day of the Mysuru Open men's tennis championship, conducted jointly by Orange Sportz and Mysore Tennis Club here on Thursday.

In the first semi-final, Suresh Dakshineshwar (TN), playing some attacking tennis on both the flanks shocked sixth seeded Rishi Reddy from Karnataka 6-4, 6-4 and sailed into the final and set up a title clash with second seed Jatin Dahiya.

In the other semi-final, second seeded Jatin Dahiya, who qualified for the tournament proper, playing a consistent baseline game, scored a well earned win over fifth seeded Karnataka lad B.R. Nikshep 7-5, 6-2 in a keenly contested tie which lasted for one hour and ten minutes.

Suresh, Yash clinch men's doubles title: Suresh is in line

for a double, as later in the day, teaming up with Yash Yadav (Kar) he clinched the men's doubles title beating Guhan Rajan (TN) & Ominder Baisoya (HP) 6-2, 6-2 in the final.

RESULT

Men's singles: Semi-final: Suresh Dakshineshwar (TN) bt Rishi Reddy (Kar) 6-4, 6-4, Jatin Dahiya (Del) bt B.R.Nikshep (Kar) 7-5, 6-2.

Doubles: Final: Suresh Dakshineshwar/Yash Yadav bt Guhan Rajan/Ominder Baisoya 6-2, 6-2. **Semi-finals:** Suresh Dakshineshwar/Yash Yadav bt Rohan Bhatia/Neesar Jewoor 6-4, 6-4, Guhan Rajan/Ominder Baisoya bt B.R.Nikshep/Alok Aradhya 5-7, 6-3 (13-11).

MDFA 'C' Division Football

Facile win for Metro FC

Mysuru, Feb.15- Metro FC registered a 3-0 win over Jaibharath FC in the MDFA 'C' division football league 2018-19 for the Chirag Trophy played at the University grounds here on Thursday.

RESULTS: Metro FC 3 (Shradha 10, Rakshith 14, Manjunath 22) bt Jaibharath FC 0.

Wednesday's match: Mysore Hunters FC 3 (Mithin 3, 10, Ameeth 65) drew with East Mysore FC 3 (Anas 12, Irfan 20, Shoaib 37).

Vizzy Trophy

Five UoM players selected in squad

Mysuru, Feb. 15- Five University of Mysore (UoM) players have been selected to represent South Zone team in the Vizzy Trophy All-India cricket tournament 2018-19. The UoM cricket team finished runner-up in the South Zone Inter-University tournament and also finished runner-up in the All-India Rohinton Baria inter-University cricket tournament.

The players from UoM are: Madan Mohan (Vice-Captain), M. Utham Aiyappa, Yodhan Hrudhay, M.Venkatesh and K. Shashank.

The South Zone team: Sharukh Khan (Captain), Madan Mohan (VC), R. Kavin (WK), Sai Pragnay, Utham Aiyappa, UAV Varma, Kishore Kamath, Dinesh sai Pavan, Aditya Somanna, Pranav Bhatia, Yodhan Hrudhay, M.Abhirath Reddy, M.Venkatesh, Jeshwanth M. Acharya, K.Shashank.

MCC to implement Single Window System for tax collection

Mysuru, Feb. 15 (SBD,PM& BCT)- The Mysuru City Corporation (MCC) has decided to implement a Single Window System (SWS) for tax collection and has given approval for software development for the same. The system will be implemented after visiting other civic bodies in the country that have brought in the process.

At the Council Meeting held yesterday under the Chairmanship of Mayor Pushpalatha Jagannath, the Council took the decision of streamlining tax collection by bringing in technology. Raising the issue, BJP Corporator Shivakumar said that the MCC was facing severe losses due to resource leaks, inefficient tax collection and non-streamlining of the taxation system.

He opined that in this age of technology, the MCC must adopt SWS. Explaining the benefits of the system, Shivakumar said that it will help MCC to mop up resources and prevent revenue pilferage. Shivakumar was seconded by Corporator K.V. Sridhar who felt that the MCC team must visit other Corporations to see how they have implemented SWS.

The Corporators also stressed the need of bringing in online system of tax collection and cited the examples of Mangaluru, Shivamogga and Tumakuru Corporations that have effectively brought in the online system and realising benefits out of it.

Shivakumar said that the civic agency was in debt to the tune of Rs. 247 crore, a fiscal situation he attributed to the failure to maximise levies. "We can collect nearly Rs. 4,000 crore in various taxes. But, we are able to manage only Rs. 120 crore," he said. The Corporators urged the officials to collect data from other civic agencies on the online tax collection so as to make the process a lot simpler.

Church issue rocks meeting

Pandemonium was witnessed at the meeting for sometime over a proposal to build a church forcing BJP Corporators to stage a flash protest in the well of the Council against disparaging comments made by a Congress Corporator.

Proceedings took a stormy turn as BJP Corporator B.V. Manjunath raised objections to the civic agency's decision to permit the construction of a church without consulting the residents. However, Congress member Arif Hussain said that the saffron party was bound to voice its opposition whenever such issues came up for discussion.

Remarks by the Congress Corporator Arif Hussain did not go down well with the BJP Corporators, who rushed close to the Mayor's chair, forcing Pushpalatha Jagannath to adjourn the Council for ten minutes. The meeting resumed only after the Congress member tendered an apology for his remarks.

The contentious issue here is the proposal of Marthoma Syrian Church to construct a building for religious purpose at a site allotted by the Mysuru Urban Development Authority (MUDA) at second stage Hebbal way back in April 2011.

However, when the public notification was announced in February last to invite objections from neighbours, some of the public had raised several issues expressing their objection to the same. The objections included disturbance to residents due to noise pollution, followed by the question of necessity to build a Church in the locality where the population of Christians is sparse.

Some of them had also suggested the authorities to develop a park at the same site that would benefit both children and elderly people. However, the Church authorities had contended that the prayers will be conducted for only two hours on every Sunday that will least cause any noise pollution. Moreover, the very locality is thickly populated with Christians and it made sense to build a Church there.

The tussle between the BJP and the Congress members over Arif Husain's remarks was settled after Hussain agreed to withdraw his comments.

The issue of building the Church too was settled after the Mayor announced that the Council had agreed to build the Church.

Innova car

It was also decided at the Council to buy a new vehicle — Toyota Innova — for the official use of Deputy Mayor too on the lines of Mayor.

MCC proposes revision in water tariff

The MCC has proposed an upward revision in the water tariff to cope with increase in maintenance and supply costs. The issue came up at the Council meeting and members were informed that the last revision was affected in 2011. The Vani Vilas Water Works supplies 250 MLD of water but there has been no revision in the water tariff despite mounting expenditure.

Though the Council is yet to give its approval and the issue has been put forward for debate for a future date, the proposal envisages a hike in the minimum tariff from Rs. 125 to Rs. 200 for domestic consumers. For non-domestic consumers, the minimum tariff is proposed to be increased from Rs. 140 to Rs. 160 and the same is proposed to be hiked for commercial and industrial users from Rs. 280 to Rs. 320. The proposal evoked opposition from members who called for assessing the number of illegal connections before passing on the burden to the consumers.

Corporators smell a rat over stray dog control

Mysuru, Feb. 15 (SBD,PM& BCT)- Corporators have suspected a scam behind the Animal Birth Control (ABC) programme as the very intention of checking the population of stray dogs is not meeting the desired purpose. Even after 10 years of its launch in 2009, the statistics provided by MCC officials cannot be fully accepted as there is no respite yet from the stray dogs and their increasing population, alleged Council members.

Corporators expressed their reservations against earmarking five acres of land to open a dedicated Animal Birth Control Centre. As the issue was raised, the Council discussed the ABC programme.

Answering the queries, MCC Commissioner K.H. Jagadeesha said that the tender process is already on for a dedicated ABC Centre. He convinced the Council that any animal-related programmes have to be carried out according to the regulations. Hence, five acres of land has been set aside for the purpose.

Veterinarian Dr. Suresh brought it to the notice of the Council that ever since the programme was launched to sterilise stray dogs, 41,432 dogs, irrespective of gender, have been sterilised till date with 3,000 more left to be covered.

The job has been outsourced to an agency which will identify and catch such animals and operate on them in keeping with the guidelines. They will be kept under supervision for three days, before releasing them. On an average, 400-500 dogs are sterilised per month.

When the Corporators expressed doubts over the number of stray dogs in the city, the officer clarified that when a sample survey was conducted three years ago, 44,000 such dogs had been identified.

Interrupting the veterinarian, Corporators said that in 2012, when the animal census was conducted, 27,000 dogs had been found. If the ABC programme was successful, how come the stray dog population has doubled, they asked.

The exact population of stray dogs is expected to be known by the end of this month when the ongoing census is expected to be completed, Dr. Suresh said. Responding to the concerns raised by Corporators, Mayor Pushpalatha Jagannath said that a detailed discussion will be taken up in the subsequent Council meetings.

Spotlight on streetlights

M.V. Ramprasad

Before the MCC Council meeting began yesterday, BJP Corporators led by leader of the Opposition B.V. Manjunath sat on a dharna outside the MCC office over the issue of dysfunctional streetlights in most pockets of the city, which left them plunged in darkness after dusk.

Highlighting the dangers that lack of streetlights posed to commuters, in addition to safety issues, the BJP Corporators informed the Council which met soon after, that citizens of Mysuru wanted this problem solved at the earliest so as to be able to travel at night with no fear.

BJP Corporator Shivakumar tabled the issue for discussion at the meeting and said, "MCC has undertaken the exercise to replace the existing bulbs with LED lamps. But, this will take almost a year to complete. What will the residents do till then? They will be left in the dark," Shivakumar said.

Independent Corporator M.V. Ramprasad had donned a 'Mysore Peta' fixed with a bulb on the top and flickering LED lights, throughout the meeting to draw the attention towards the problem. Soon after the discussion, Mayor Pushpalatha Jagannath announced that a MCC delegation will meet Chief Minister H.D. Kumaraswamy urging him to permit the MCC to install lights at critical areas till the State Government's LED lamp project is implemented.

Girl's suicide at Kattemalalawadi

Accused lover arrested

Lokesh Gowda

Hunsur, Feb. 15 (KK&KS) - Hunsur Rural Police have arrested one Lokesh Gowda, in connection with the suicide of a girl at Kattemalalawadi on Tuesday.

Arpitha, the deceased and Lokesh Gowda, also of the same village were in love and Lokesh had promised Arpitha of marrying her. But as he refused to marry, Arpitha committed suicide by hanging self, following which Lokesh had gone absconding.

Based on the complaint by Arpitha's parents Basavaraju and Kanthamma, Hunsur Rural Police, who had registered a case of abetting suicide against Lokesh Gowda, arrested him yesterday at Hanagodu, according to Hunsur Rural SI Shivaprakash.

Obituary

M. Vijeya Gowda

Mysuru, Feb. 15 - M. Vijeya Gowda (75), brother of former Srirangapatna MLA M. Srinivas and a resident of Gokulam in city, passed away in the early hours today at his residence.

He leaves behind his wife, one son, one daughter and a host of relatives and friends.

Last rites will be performed at Chandagalu in Srirangapatna at 10.30 am tomorrow.

Anantharao Pawar

Hunsur: Anantharao Pawar (64), retired State Bank of India employee and a resident of Gawadagere, passed away yesterday morning.

He leaves behind his wife, one son, one daughter and a host of relatives and friends.

Last rites were held today (Feb. 15) at Gawadagere.

Krishnegowda

Krishnegowda (52), a resident of Shyanabogan-ahalli in the taluk, passed away yesterday morning following heart attack.

He leaves behind his wife, one daughter, one son and a host of relatives and friends.

Last rites were performed last evening at the village.

WORD OF THE DAY

Abstruse

Pronunciation: Ub-STROOSS.

Meaning: Difficult to comprehend.
Origin: Look closely at the following Latin verbs, all of which are derived from the verb trudere ("to push, thrust"): extrudere, intrudere, obtrudere, protrudere. Remove the last two letters of each of these and you get an English descendant whose meaning involves pushing or thrusting. Another trudere offspring, abstrudere, meaning "to push away" or "to conceal," gave English abstrude, meaning "to thrust away," but that 17th-century borrowing has fallen out of use. An abstrudere descendant that has survived is abstruse, an adjective that recalls the meaning of its Latin parent abstrūsus, meaning "concealed."
Example: Today's physics breakthroughs tend to be so abstruse that summarizing them is like trying to explain the financial-derivatives market to a 3-year-old.

THE ODD WORD

Arsenal

All the weapons and equipment that a country has.

PHRASE OF THE DAY

The darkest hour

Meaning: The darkest hour is the time when bad events are at their worst and most dispiriting.

Origin: The expression 'the darkest hour' came into widespread use in early 19th century England. However, the usage of the phrase that has more recently become popular originated well before that, in the proverb 'the darkest hour is just before the dawn'. A version of the proverb was recorded by Thomas Fuller in A Pisgah-Sight Of Palestine And The Confines Thereof, 1650: It is always darkest just before the Day dawneth.'
'The Darkest Hour' is the title of a 2017 WWII film drama starring Gary Oldman as Winston Churchill. The film alludes to the apparently imminent defeat of the British as their 'darkest hour' and, although this might sound like a Churchillian turn of phrase there is no record of him having coined it in any of his copiously recorded speeches or writings. It was used in a letter to Churchill from Clement Attlee, who became the British Prime Minister shortly before the Japanese surrender in 1945.

QUOTE BOX

Have more than you show, speak less than you know.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
